Subject: Bridge letter- SOC (Type II) Report

Dear Civilized Discourse Construction Kit, Inc (CDCK) customer,

My name is Sarah Hawk, and I am Chief Executive Officer at Civilized Discourse Construction Kit, Inc.

CDCK retains Schellman & Company to issue annual SOC 2 Type II reports for its Hosting Services. Currently, CDCK issues a twelve-month report with the end date of May 31. The testing period covered by the most recent report was June 1, 2023 through May 31, 2024.

This letter confirms that, for the period from June 1, 2024 to the date of this letter, there have been no material changes to the system of internal controls that we believe would adversely affect the conclusions reached in the SOC 2 Type II report that you previously received.

This letter is not intended as a substitute for CDCK's SOC 2 Type II report, or to provide you with a certification of CDCK's internal controls, or to suggest that CDCK has performed a separate evaluation of its controls for the purposes of producing this letter.

Feel free to contact me should you have any further questions

Signed by:
